

## Down

Jason Walker

I don't know where I'm at  
I'm standing at the back  
And I'm tired of waiting  
Waiting here in line, hoping that I'll find what I've been chasing.

I shot for the sky  
I'm stuck on the ground  
So why do I try, I know I'm gonna fall down  
I thought I could fly, so why did I drown?  
Never know why it's coming down, down, down.

Not ready to let go  
Cause then I'd never know  
What I could be missing  
But I'm missing way too much  
So when do I give up what I've been wishing for.

I shot for the sky  
I'm stuck on the ground  
So why do I try, I know I'm gonna fall down  
I thought I could fly, so why did I drown?  
Never know why it's coming down, down, down.  
Oh I am going down, down, down  
I can't find another way around  
And I don't want to hear the sound, of losing what I never found.

I shot for the sky  
I'm stuck on the ground  
Why do I try, I know I'm gonna fall down  
I thought I could fly, so why did I drown?  
I'll never know why it's coming down, down, down.

I shot for the sky  
I'm stuck on the ground  
Why do I try, I know I'm gonna fall down  
I thought I could fly, so why did I drown?  
Oh, it's coming down, down, down.
