

# Hope You Found It Now

Jason Walker

What was it that got broken inside of you  
That sent you off searchin' down empty avenues?  
Rooms cold and smoky that you stumbled through  
Looking for a little truth somehow

I hope you found it now  
I hope you found it now

And what was it inside you that love never satisfied?  
The thin thread that held you, how did it come untied?  
The grace you only ran from, the bridges that you burned  
The peace of mind you learned to live without

I hope you found it now (yeah, yeah)  
I hope you found it now (yeah)  
ooohhhh oooh  
ooohhhh oooh

The burdenes that you carrie and all of you mistakes  
You're looking for a place to lay them down

And I hope you found it now (yeah)  
I hope you found it now (yeah, yeah)  
I hope you found it now (yeah, oh)  
I hope you found it now  
I hope you found it now
