

# I Feel Like That

Jason Walker

I've tried to write  
The perfect song  
But everytime I do I feel like  
It just comes out wrong  
I've tried to find  
The perfect words  
I'm still out there looking for  
The ones that you deserve

And I don't know  
If I will ever find  
The perfect way to tell you why  
When everytime I try

I'm right back at the first date  
And the first kiss  
That couldn't wait  
Cause every moment meant so much  
I couldn't let it pass  
I'm right back where I first stood  
When I first knew  
That I would always love you  
And you know  
I've never looked back  
And every time I try to tell you how I feel  
I feel like that  
I feel like that

It's hard to get an emotion down  
When I am still falling  
But I haven't hit the ground  
But I hope  
You can understand  
All I'm trying to say  
In the best way that I can

And I don't think  
If I will ever find  
The perfect way to tell you why  
When everytime I try

I'm right back at the first date  
And the first kiss  
That couldn't wait  
Cause every moment meant so much  
I couldn't let it pass  
I'm right back where I first stood  
When I first knew  
That I would always love you  
And you know  
I've never looked back  
And every time I try to tell you how I feel  
I feel like that  
I feel like that

And I don't know  
If I will ever find

The perfect way to tell you why  
When everytime I try

I'm right back at the first date  
And the first kiss  
That couldn't wait  
Cause every moment meant so much  
I couldn't let it pass  
I'm right back where I first stood  
When I first knew  
That I would always love you  
And you know  
I've never looked back

I'm right back at the first date  
And the first kiss  
That couldn't wait  
Cause every moment meant so much  
I couldn't let it pass  
And every time I try to tell you how I feel  
I feel like that
