

# The Top Of The World

Jason Walker

I'm here at last,  
This moment in time  
Is now somehow  
I'm making it mine

But I'm taking all of you with me  
This is just the beginning  
Of something I waited for  
All my life

The top of the world  
Oh I can't believe  
This mountain is under my feet  
The top of the world  
You cannot look down  
I'm finally where I should be, yea

Oh oh oh oh, oh oh oh oh  
Mountain is under my feet  
Oh oh oh oh, oh oh oh oh  
I'm finally where I should be

Electric air  
The heat, the crowd  
Each step I take  
Is shaking the ground

It's like an army behind me  
Like a fire igniting  
I'm lifting to...

The top of the world  
Oh I can't believe  
This mountain is under my feet  
The top of the world  
You cannot look down  
I'm finally where I should be, yea

Oh oh oh oh, oh oh oh oh  
Mountain is under my feet  
Oh oh oh oh, oh oh oh oh  
I'm finally where I should be

If you wanna find me  
Then stop coming  
I'm on top, on top of the world  
If you wanna try for it  
You'll have to fight for it  
I'm on top, on top of the world

On top of the world  
Yea!

The top of the world  
Oh I can't believe  
This mountain is under my feet  
The top of the world

You cannot look down  
I'm finally where I should be

Oh oh oh oh, oh oh oh oh  
Mountain is under my feet  
I'm where I should be  
Oh oh oh oh, oh oh oh oh  
Each step I take  
Is shaking the ground
