

What If I Told You

Jason Walker

What if I told you
Who I really was What if I let you in on my charade?

What if I told you
What was really going on
No more masks and no more parts to play

There's so much I want to say
But I'm so scared to give away
Every little secret that I hide behind
Would you see me differently?
And would that be .such...a bad thing
I wonder what it would be like
If I told you

What if I told you
That's its just a front
To hide the insecurities I have

What if I told you
That I'm not as strong
As I like to make believe I am

There's so much I want to say
But I'm so scared to give away
Every little secret that I hide behind
Would you see me differently?
And would that be .such...a bad thing
I wonder what it would be like
If I told you

Oh if I told you

There's so much I want to say
But I'm so scared to give away
Every little secret that I hide behind
Oh would you see me differently?
And would that be .such...a bad thing
I wonder what it would be like
If I told you

What if I told you
What if I told you
What would it be like
What would it be like
If I told you
Oh what if I told you
Oh I wonder what it would be like
If I told yo
