

# If I Never Get To Heaven

Javier Colon

[Verse 1:]

What Does Your Love Mean To Me  
Its Something I Can't Answer Easily  
Just Like The Air That I Breathe  
You Fill Me Up Inside, You Give Me All That I Need  
Like A Bird Flying High On A Summers Day  
You're The Wind That Carries Me Away  
To A Place Where You And I Will Always Stay Forever

[Chorus:]

If I Never Get To Heaven Then At Least I Will Have Known  
I Had An Angel Here On Earth That I Could Call My Very Own  
And If This World Should End Tomorrow, Girl This Much I Know Is True  
I Found My Piece Of Heaven The Day That I Found You

[Verse 2:]

Longer Than Poets Will Rhyme  
Girl My Love Will Burn For You Until The End Of Time  
If I Should Die Before Tomorrow Comes  
I Wont Regret A Single Day, Because I Had Your Love  
Must Be Somethin In The Way You Say My Name  
It Takes Away My Worries And My Pain  
Girl I Know We'll Make It Through The Rain Together

[Chorus:]

If I Never Get To Heaven Then At Least I Will Have Known  
I Had An Angel Here On Earth That I Could Call My Very Own  
And If This World Should End Tomorrow Girl This Much I Know Is True  
I Found My Piece Of Heaven The Day That I Found You

[Bridge:]

Like A River Flows And A Flower Grows, My Love For You Will Never Fade  
Like The Sun Will Rise In The Morning Sky  
You Know That I Am Here To Stay Forever

[Instrumental Interlude]

[Chorus:]

If I Never Get To Heaven Then At Least I Will Have Known  
I Had An Angel Here On Earth That I Could Call My Very Own  
And If The World Should End Tomorrow  
Girl This Much I Know Is True  
I Have Found My Piece Of Heaven The Day That I Found You

Like A River Flows And A Flower Grows, My Love For You Will Never Fade  
Like The Sun Will Rise In The Morning Sky You Know I Am Here To Stay
