

If I Never Get To Heaven

Javier Colon

[Verse 1:]

What Does Your Love Mean To Me
Its Something I Can't Answer Easily
Just Like The Air That I Breathe
You Fill Me Up Inside, You Give Me All That I Need
Like A Bird Flying High On A Summers Day
You're The Wind That Carries Me Away
To A Place Where You And I Will Always Stay Forever

[Chorus:]

If I Never Get To Heaven Then At Least I Will Have Known
I Had An Angel Here On Earth That I Could Call My Very Own
And If This World Should End Tomorrow, Girl This Much I Know Is True
I Found My Piece Of Heaven The Day That I Found You

[Verse 2:]

Longer Than Poets Will Rhyme
Girl My Love Will Burn For You Until The End Of Time
If I Should Die Before Tomorrow Comes
I Wont Regret A Single Day, Because I Had Your Love
Must Be Somethin In The Way You Say My Name
It Takes Away My Worries And My Pain
Girl I Know We'll Make It Through The Rain Together

[Chorus:]

If I Never Get To Heaven Then At Least I Will Have Known
I Had An Angel Here On Earth That I Could Call My Very Own
And If This World Should End Tomorrow Girl This Much I Know Is True
I Found My Piece Of Heaven The Day That I Found You

[Bridge:]

Like A River Flows And A Flower Grows, My Love For You Will Never Fade
Like The Sun Will Rise In The Morning Sky
You Know That I Am Here To Stay Forever

[Instrumental Interlude]

[Chorus:]

If I Never Get To Heaven Then At Least I Will Have Known
I Had An Angel Here On Earth That I Could Call My Very Own
And If The World Should End Tomorrow
Girl This Much I Know Is True
I Have Found My Piece Of Heaven The Day That I Found You

Like A River Flows And A Flower Grows, My Love For You Will Never Fade
Like The Sun Will Rise In The Morning Sky You Know I Am Here To Stay
