I never thought we'd ever had our last kiss  
I never thought about you being unhappyy

And I know you dont care but I gotta tell you

Lovin you is all that I wanted to do  
Lovin you is all I wanted to do  
Lovin you is all that I wanted to do  
Lovin you is all I wanted to do

I Never thought I will push you away  
I Never thought I would'nt see you every day  
I never thought I would'nt get here to hear the silly things you'd sa
