Lying in bed, I hear the, clock tick I think of you Caught up in circles, confusion is nothing new Flashback to warm nights, almost left behind Suitcase of memories time after...

Sometimes you picture me, walking too far ahead You're calling to me, can't hear what you said And you say go slow, I fall behind The second hand unwinds

[Chorus:]

If you're lost you can look and you will find me Time after time

If you fall I will catch you I will be waiting

Time after time

If you're lost you can look and you will find me

Time after time

If you fall I will catch you I will be waiting

Time after time

After my picture fades and, darkness has turned to gray Watching through windows, you're wondering if I'm ok Secrets stolen, from deep inside
The drum beats out of time

[Chorus:]

time after time after time after...
suitcase of memories almost left behind
time after time after time after...
time after....
