

Missing You

Javine

I Woz Home Late Tonite And I Hadnt
Realise That You Were Waiting Up For Me
I've Had A Busy Day And The Time Has Ran Away
I Didnt Know That I Would Feel
I'm Missing You
I Can Feel Tha Space Inside
Gotta Turn On The Lights
I'm In A Daze
Cuz All I'm Thinking

I Wasnt Lost The Day I Fount You
My Love My Love
And My Heart Will Be Without You
My Love My Love
But I Wanna Be Around You
My Love
Cuz Its Only A Day And
I'm Feeling The Strain
Of Missing You

You Didnt Have A Lot To Say
You Just Upped And On Your Way
To A Brighter Day Dont Need No Stress
I Didnt Take You Sriously
Didnt Think You'd Be Gone
Never Thought I'd Feel Misplaced
I'm Longing You
I Can Feel The Space Inside
Gotta Turn On The Lights
I'm In A Daze
Cuz All I'm Thinking

Boy I Gotta Get By Without You
And Theres Nothing In This World I Can Do
I'm All Alone And I'm Missing You
I Just Wanna Be Around You But I'm Gonna Have To Pull Thru
Its So Dark You Miss A Good Thing When Its Gone

Missing You
Aaaaaaaahhhhhhhh Missing You
Aaaaahhhh Missing You
Aaaaaaaahhhhhh My Love
I Didnt Think I'd Mind But Yes I Do
Missing You... I'm Missing You, I'm Missing You
