

Into You Like A Train

Jawbreaker

No kind of love
No kind of love

I don't wanna make no scene
Lovers come and go
Or make you mrs. anyone
Or make you mr. me

I'm into you like a train
Into you like a train
Into you like a train
Yeah fall in love
Yeah fall in love

I don't wanna tape you down
Or shack you up with me
Or put you where the flowers go
Or get into your mind

I'm into you like a train
Into you like a train
Into you like a train
Now fall in love
Yeah fall in love

If you believe that anyone
Like me within a song
Is outside it all
Then you are all so wrong

If you believe that anyone
Like me within a song
Would try and change it all
Then you have been put on

I'm into you like a train
Into you like a train
Into you like a train
Yeah fall in love
Yeah fall in love

No kind of love
No kind of love

I don't wanna wear no side
Or complicate it all
Or celebrate your prettiness
And kick you in it all

I'm into you like a train
Into you like a train
Into you like a train
Yeah fall in love
Yeah fall in love

If you believe that anyone
Like me within a song

Would try and change it all
Then you have been put on
So wrong

Into you like a train
