

# Into You Like A Train

Jawbreaker

No kind of love  
No kind of love

I don't wanna make no scene  
Lovers come and go  
Or make you mrs. anyone  
Or make you mr. me

I'm into you like a train  
Into you like a train  
Into you like a train  
Yeah fall in love  
Yeah fall in love

I don't wanna tape you down  
Or shack you up with me  
Or put you where the flowers go  
Or get into your mind

I'm into you like a train  
Into you like a train  
Into you like a train  
Now fall in love  
Yeah fall in love

If you believe that anyone  
Like me within a song  
Is outside it all  
Then you are all so wrong

If you believe that anyone  
Like me within a song  
Would try and change it all  
Then you have been put on

I'm into you like a train  
Into you like a train  
Into you like a train  
Yeah fall in love  
Yeah fall in love

No kind of love  
No kind of love

I don't wanna wear no side  
Or complicate it all  
Or celebrate your prettiness  
And kick you in it all

I'm into you like a train  
Into you like a train  
Into you like a train  
Yeah fall in love  
Yeah fall in love

If you believe that anyone  
Like me within a song

Would try and change it all  
Then you have been put on  
So wrong

Into you like a train
