

I Guess I'm Just A Fool

Jay-Jay Johanson

I guess I'm just a fool
Still dreaming of you
But the way the story ended
What else can I do ?
You said I was too good to you
Too good and too sweet
Back then you never turned
Bitter and discreet
Breaking up is always hard
But this one was harder than the rest
But in the end I hope I'll come out well
I guess I'm just a fool
What else can I do ?
