

## Quel Dommage

Jay-Jay Johanson

Quel dommage  
This was supposed to last forever  
I used to say it's now or never  
Quel dommage

Quel dommage  
I never meant to cause you sorrow  
If it's gone today there's no tomorrow  
Quel dommage

I could be wrong I could be right  
Oh baby, don't turn on the lights  
You look so gorgeous in the light of the moon  
Stay until noon, my love

But in the dark you went away  
All I can do now is to pray  
It seems that all you ever left in my room  
Was me alone again
