

# Suicide Is Painless

Jay-Jay Johanson

Through early morning fog I see  
The visions of the things to be  
The pains that are withheld from me  
I realise and I can see

Suicide is painless  
It brings on many changes  
But I can take or leave it if I please

The game of life is hard to play  
I'm gonna lose it anyway  
But losing cards are some days late  
So this is all I have to say

The sword of time will pierce our skin  
It doesn't hurt when it begins  
But as it works its way on in  
The pain grows stronger watch it grin

A brave man once requested me  
To answer questions that I keep  
"is it to be or not to be"  
And I reply "oh why ask me ? "

Suicide is painless  
It brings on many changes  
But I can take or leave it if I please  
...and you can do the same thing if you please
