

# Sunshine Of Your Smile

Jay-Jay Johanson

The sun always shines  
Since we got together  
There's no cloud in sight  
It confiscates the darkness  
Sunshine, sunshine  
It burns my skin  
Reminds me of the blush  
The first time we kissed

The sunshine of your smile  
The sunshine of your smile

It makes me warm  
The same kind of warmth  
As your embrace  
A ray of bright light  
Reflecting like a mirrorball  
Leaves sunstains on me
