

The Sly Seducer

Jay-Jay Johanson

The sly seducer came to town
A time when everything was fine
He turned this idyll upside down
Laid sleezy hands upon what's mine
He's dangerous

The sly seducer, the sly seducer, the sly seducer stole my love
The sly seducer, the sly seducer, the sly seducer stole my love

He captures fragile guileless girls
Vampire-teeth in virgin-necks
And paralyses them with words
Touch upon touch 'til it wrecks
He's dangerous

As the serpents touch
The sly seducer stole my love
