

# Do You

Jay Sean

Do you, do you, do you

Ohh babe, I'm watching you baby  
Me and you in the mirror  
And baby I love, the faces you make  
Can't be any clearer  
You gon' be working all through the night  
Putting in over-time  
And you know, exactly what I need  
So turn the music down  
I wanna hear the sounds, of us alone  
It's only me and you

Don't stop doing what you do  
Keep doing what you do, do  
Do you, do you  
Do you like the way I'm doing you?  
When I do you, you  
Do you? do you?  
Do you like the way that I put it down on you?  
It's only me and you  
Do you like the way that I put it down on you?  
Do you? do you? do you? do you?  
Intoxicate me and I get a rush from you  
Do you? do you?  
Girl it's running through my veins  
Can you feel it in the same kind of places?

You gon' be working all through the night  
Putting in over-time  
And you know, exactly what I need  
So turn the music down  
I wanna hear the sounds, of us alone  
It's only me and you

Don't stop doing what you do  
Keep doing what you do, do  
Do you, do you  
Do you like the way I'm doing you?  
When I do you, you  
Do you? do you?  
Do you like the way that I put it down on you?  
It's only me and you  
Do you like the way that I put it down on you?  
Do you? do you? do you?  
Do you like, if I take my time and do this right?  
Do you know how I feel inside?  
I'll show you tonight  
It's getting closer, closer, closer  
So don't stop doing what you do

Don't stop doing what you do  
Keep doing what you do, do  
Do you, do you  
Do you like the way I'm doing you?  
When I do you, you  
Do you? do you?

Don't stop doing what you do  
Keep doing what you do, do  
Do you, do you  
Do you like the way I'm doing you?  
When I do you, you  
Do you? do you?
