

I Won't Tell

Jay Sean

It's like watching a movie
Double-featured
She plays like a good girl
But I don't believe her

Girl what's your sign?
You must be a gemini
A sweet girl with a bite
And I just can't leave her

O-Oh there she goes again turning
From Dr.Jekyll to Hyde
And I can't wait to be re-introduced to the freak inside.
It's like when there's a full moon
And you just metamorphosized
But this ain't no fairytale
Cause I got you here tonight.

I won't tell (3x)
She's a lady on the street but a freak on the weekend.
I won't tell (3x)
She's a lady on the street but a freak but a freak...

It's like mixing a showgirl
With a pre-school teacher
Every man's fantasy
Bet you wish you could meet her.

She's a girl gone wild
But I won't tame her,
She's mine mine mine...

The girl is...

O-Oh there she goes on in turning
From Dr.Jekyll to Hyde
And I can't wait to be re-introduced to the freak inside.
It's like when there's a full moon
And you just metamorphosize
But this ain't no fairytale
Cause I got you here tonight.

I won't tell (3x)
She's a lady on the street but a freak on the weekend.
I won't tell (3x)
She's a lady on the street but a freak but a freak...

What's up miss lately, how you doing ok? let me start by saying,
now don't think I'm crazy, but baby for that I wouldn't mind paying,
and I ain't even playing,
I'm in love with what your mama gave ya,
so let's get out of here change clothes
like Mr. Rogers,
be my neighbour, see a lady in the street,
but a freak, back seat of a mercedes or the jeep,
she's always on the creep,
time so sweet, you would swear that she had no teeth,...

you don't know the half...
but she moves so elegant...
not like a giraffe,
more head than an elephant..
shorty got the medicine,
dose off fake tan and we gettin in...
it's Jay Sean

I won't tell (3x)
She's a lady on the street but a freak on the weekend.
I won't tell (3x)
She's a lady on the street but a freak but a freak...

I won't tell (3x)
She's a lady on the street but a freak on the weekend.
I won't tell (3x)
She's a lady on the street but a freak but a freak...
