

If I Ain't Got You

Jay Sean

(It doesn't matter if i ain't got you)
(It doesn't matter if i ain't got you)

Yeah, yaah
Ooooo

If I ain't got you, you
If I ain't got you, you
If I ain't got you, you
If I ain't got you, you

Hey pretty baby, you got me goin' crazy
I'm down when I ain't got you
'Cause baby girl you do it for me (for me)
Won't you put it on me? (on me)
I love the little things you do

So you can spend all you wanna
Dolce and Gabbana
I would buy the world for you

So I break it down
If you're not around
It dosent matter if I ain't got you

All the diamond and the pearls
And the money in the world means nothing
If I ain't got you,
And all the watches and the rings
And all them shiny things
Means nothing if I ain't got you

If I ain't got you, you
If I ain't got you, you
If I ain't got you, you
If I ain't got you, you

I had a villa in Manila,
A home in Rome
Didn't matter 'cause I didn't have you (have you)
Had an apartment in the sky
Summers in Dubai
Didn't matter 'cause I didn't have you

I used to spend all I wanted
Dolce and Gabana
But I would trade it all for you,
Together had it all
But now that you my all,
I know that nothing matters without you (without you)

All the diamond and the pearls
And the money in the world means nothing
If I ain't got you,
And all the watches and the rings
And all them shiny things
Means nothing if I ain't got you

If I ain't got you, you
If I ain't got you, you
If I ain't got you, you
If I ain't got you, you

What's life without you
A house without you
They don't mean nothing if I'm without you
It's true
None of it matters girl more than you do
And my life feels brand new
Every minute every time that you're with me
And know that time girl I hope that you'll still be
'Cause all I need in this world is you and me

'Cause baby

All the diamond and the pearls
And the money in the world means nothing
If I ain't got you,
And all the watches and the rings
And all them shiny things
Means nothing if I ain't got you

If I ain't got you, you
If I ain't got you, you
If I ain't got you, you
If I ain't got you, you

Said if I ain't got you than I ain't got nothing
Said I ain't got nothing

So Hush lil' baby don't say a thing
Daddy's gonna buy you a diamond ring
And if that diamond ring don't shine
Then daddy's gonna buy you a whole damm mine..
Hahaha yeah man
