Cuz I'm So High Ryt Now (ohwoooo)
I'm So High Ryt Now (ohwoooo)

Somebody Shot Me, Ah....

Now I'm Never Gonna Feel The Same

Its Really Got Me, Ah....

And Its Running Off Through My Veins

Since Then I Can Feels My Heart Start Beating Out Of Time

When The Room Keeps Spinning In My Mind

There's A Smoke Machine Inside My Eyes

It's Controlled Long Time Ago

And All I Know Is That, Either I'm In Love Or Had A Little Bit Too Much

Cuz I'm So High Ryt Now

Either I'm In Love Or You Don't Have To Go

Cuz I'm So High Ryt Now (ohwoooo)
I'm So High Ryt Now (ohwoooo)
I'm So High Ryt Now Now Now
I'm So High Ryt Now

You Make Me So High
So High I Could Fly
So Good Why Ask Why
Too Much Of You Babe
I Don't Need Another Lifeline

Ohh, You Feel So Good Yeah Loving You Is Like Suicide

And I Can Feels My Heart Start Beating Out Of Time When The Room Keeps Spinning In My Mind There's A Smoke Machine Inside My Eyes It's Controlled, Long Time Ago And All I Know Is That, Either I'm In Love Or Had A Little Too Much

Cuz I'm So High Ryt Now

Either I'm In Love Or You Don't Have To Go

Cuz I'm So High Ryt Now Now

Cuz I'm So High Ryt Now I'm So High Ryt Now

I'm So High Ryt Now

Either I'm In Love Or Had A Little Bit Too Much

Cuz I'm So High Ryt Now

Either I'm In Love Or You Don't Have To Go

Cuz I'm So High Ryt Now (ohwoooo)
I'm So High Ryt Now (ohwoooo)
I'm So High Ryt Now......
