

## Beach Is Better

Jay-Z

Get ya ass on the celly  
Cause I ain't got time  
To be arguing with your ass  
If you ain't really ready

Girl why you never ready  
For as long as you took  
You better look like Halle Berry  
Or Beyoncé. Shit then we getting married

I brought sand to the beach  
Cause my beach is better  
You can keep ya beach  
Cause that beach whatever

Started out at The Darby  
Ended up at 1 Oak  
Left the house with 100 grand  
Ended up near broke

Don't get mad at me  
I'm buying bucket after bucket  
When it's gone I'm like fuck it  
I replace it with another one

Can't take this money with you  
Burn this shit up like I'm richer  
Nigga's asking  
If the oven's on
