

Ignorant Shit

Jay-Z

Yessir!

Just the sound of his voice is a hit!

Ya'll niggas got me really confused out there

I make "Big Pimpin" or "Give It 2 Me", one of those...

Ya'll hail me as the greatest writer of the 21st Century

I make some thought-provoking shit

Ya'll question whether he falling off

I'ma really confuse ya'll on this one

Follow....

When them tops come down, chicks tops come down

Like when them shots come out make cops come around

When the blocks come out I can wake up a small town

Finish off the block then I make my mall rounds

When them stares get exchanged then the 5th come out

The tough guy disappears then the bitch come out

"That's him" -I'm usually what they whisper about

Either what chick he with, or his chip amount

Cause I been doing this since CHIPS was out

Watchin' Erik Estrada baggin' up at the Ramada

Table full of powder, AC Broke

'Bout to take another shower on my 25th hour

Spike Lee's everywhere, game or the flight

You might see me anywhere, day in the life

Only thing changed the tail number on the flight

I can touch down and take off the same night

I'm so bossy

Bitch get off me

Trick get off me

You cant get shit off me

I'm so flossy

No 6-exhaust breeze

laid back, Maybach's

Don't even talk to me!

This is that ignorant shit you like

Nigga, fuck, shit, ass, bitch, trick, plus ice

C'mon, I got that ignorant shit you love

Nigga, fuck, shit, maricon, puta, and drugs

C'mon, I got that ignorant shit you need

Nigga, fuck, shit, ass, bitch, trick plus weed

I'm only trying to give you what you want

Nigga, fuck, shit, ass, bitch, you like it don't front

They're all actors

Looking at themselves in the mirror backwards

Can't even face themselves, don't fear no rappers

They're all weirdos, DeNiro's in Practice

So don't believe everything your earlobe captures

Its mostly backwards

Unless it happens to be as accurate as me

And everything said in song you happen to see

Then actually, believe half of what you see

None of what you hear even if its spat by me

And with that said, I will kill niggas dead

Cut niggas short, give you wheels for legs

Im a K-I- double -L-E-R
See ya'll in hell
Shoot niggas straight through the E.R.
Whoa- this ain't B.R., no
Its S.C., C.E.O., the next Lyor?
No, the next leader of the whole free world
And the first thing i'ma do is free Sigel, GO!

Take off the cuffs, unlock the gate
Its that ignorant nigga that you love to hate
The '07 Ice Cube, B. Sig so rude
Tell a trick, get these nuts, eat dick like food
Now see if I care if this verse get aired
Even if you mute it the curse is there, yeah
I'm so raunchy, bitch get off me
Keep my flea collar on, you lil ticks get off me!

I missed the part where it stopped being about Imus
What do my lyrics got to do with this SHIT?
SCARFACE the movie did more than Scarface the rapper to me
Still that ain't the blame for all the shit that's happened to me
Are you saying what I'm spitting,
Is worse than these celebutantes showin' they kitten, you kidding?
Lets stop the bullshittin'
Til' we all without sin, let's quit the pulpit-ing
SCARFACE the movie did more than Scarface the rapper to me
Still that ain't the blame for all the shit that's happened to me
Lets stop the bullshittin'
Til' we all without sin, let's quit the pulpit-ing, c'mon!
