[Foxy Brown, (Jay-Z)] I ain't deaf nor blind, niggaz stressin Hatin cause they less than mine, they wanna sex me We chose each other, you actin like you chose me They oppose you then, they oppose me We could creep at a low speed, the gat in the hosiery Double cross you they got to triple cross me (I'm thinking that's the way it's supposed to be) Uh-huh (One more thing: If I ever go broke, would you hit the block for me?) Fo' sho' (She replied, eyes open wide) Uhhhh (Put that on everything?) I put that on my life (Right)

[Chorus]

Catch a case you catch it with me? (Mmm, fo' sho') Pawn your jewlery to come get me? (You better know) Catch me with a chick, forgive me? (Uhh, now that, I don't know) They spread rumors, will you defend me, tooth and nail? (Uh-huh) They try to frame me, will you be there, till the truth prevail? (uhh) (But would you be the same dude, when you blow the roof off sales that you was, throwin rocks, at the Roof at 12, nigga?) This is the truth I shell, till the loot gets frail I put this on my nephews, from the smallest to La'Velle Me and you ballin, from the heavens, or the hell Won't let you hit the ground if I'm fallin myself Now picture me leavin you in this cold world, rollin for delf It's me and you in this old girl, we takin the belt From the lows, to the highs, to the foes we shine Just continue to be my Sunshine (uhh)

[Chorus 2X]
