I aint got nothing to declare (4x)

Lugage in my hand
I greet the customsman
No sir, I aint got nothing to declare
He makes me stop
What do you want me for?
I aint done nothing wrong
What do you want me for?
He's got me to the private room
But man, I aint got no criminal intension

Drug Squad (4x)

I aint got nothing to declare (4x)

Hounddog, he sniff me al over
Mr. Officer, what are you searching me for?
I hope this aint no joke
Cause you're waisting my time
You're waisting my time
Waisting my time
Quit waisting my time
Just looking for the weed
But I'm a working man who can't afford to take that chance

I aint got nothing to declare (4x)

They searched my bag
They searched my coat
They searched my suit, turned my inside out
They found a dumbag in my guitarcase
And I got charged with a classty substance
Woohoow, I got busted
Woohoow, I got busted
Woohoow, I got busted by the Drug Squad
