

Misunderstood

Jaya the Cat

Baby, you understand me now
Sometimes I seem a little cold
Everyone in this world has their troubles
And, girl, I've got my own

But I'm just a soul, whose intentions are good
Oh, no, please don't let me be misunderstood

Sometimes it all just seems so easy
Like everything's gonna be alright
And sometime things just keep getting harder
And then you see my other side

But I'm just a soul, whose intentions are good
Oh, no, please don't let me be misunderstood

If I seem edgy, I want you to know
That I don't wanna take it out on you
Life has its problems and I've got my share
And that's one thing I never meant to do

Baby, don't you know I'm human
Flesh and blood like everyone
And sometimes I find myself regretting
Some of the things I've done

But I'm just a soul, whose intentions are good
Oh, no, please don't let me be misunderstood
I'm just a soul, whose intentions are good
Oh, no, please don't let me be misunderstood
