

# The Harder They Come

Jaya the Cat

Well, they tell me there's a pie up in the sky  
Waiting for me when I die  
But between the day you're born and when you die  
They never seem to hear even your cry

So as sure as the sun will shine  
I'm gonna get my share now, what's mine  
And then the harder they come, the harder they fall  
One and all  
The harder they come, the harder they fall  
One and all

Well, the oppressors are trying to keep me down  
Trying to drive me underground  
But just when they think they've got the battle won  
I say, forgive them Lord, they know not what they've done

So, as sure as the sun will shine  
I'm gonna get my share what's mine  
And then the harder they come, the harder they fall  
One and all  
You know, the harder they come, the harder they fall  
One and all

And I keep on fighting for the things I want  
Because I know that when you're dead you can't  
And I'd rather be a free man in my grave  
Than living like a puppet or a slave

So as sure as the sun will shine  
I'm gonna get my share now, what's mine  
And then the harder they come  
The harder they fall, one and all  
The harder they come, harder they fall  
One and all  
What I say now  
What I say  
The  
One and all  
The harder they come, the harder they fall  
One and all

Woh-woh-yeah
