

Louder

Jaylib

A little louder!
A little louder!
A little louder!
Blast your radio theme!
Blast, blast your radio theme!
Blast, blast your radio theme!
Blast your radio theme!

Here we go!
... imperial
... cause I don't wanna catch no...
... like stamping on the...
Get your paper...
This beat is like voodoo on a stick,
I'll get you hard like voodoo on a vic,

You can beat your last dollar or you can...
I'm a beat the nigger walking now,.. the collar.
... take all that, you!

All the ladies:
A little louder!
A little louder!
A little louder!
All my niggers:
A little louder!
A little louder!
A little louder!
All the ladies, let's go!
A little louder!
A little louder!
A little louder!
All my niggers, let's go!
A little louder!
A little louder!
A little louder!

It's like jumping the outta space
I smoked the weeds, my niggers fucked without...
We're getting wrong cause we're looking for another base,
Let them go, niggers, don't leave with...
How we do?
... Cadillacs,
... to the ear, till you...
Till you... cause we're trying to get better stacks,
Put your hands together for some... cats
... drum then we add the claps,
... turn it up to the max.
Bumping in your car at home or in your...
So ladies go:
A little louder!
And all my niggers go:
A little louder!

All the ladies say:
A little louder!
And all my niggers go:

A little louder!
I'm doomed!
