

Darlin' All I Ask

Jaymay

Darlin' all I ask
Is you love me to the last
Times like these
Well, they don't pass
So easily

How I loved you
Suddenly
It just totally
Scared me
That don't
Mean I don't
Take you seriously

I love you terribly
It's just ridiculous
All I'm sayin'
Is I want you so bad

I wanna love you like mad
I wanna be your lover
Why don't you just
Think about it?
