

Is This Love?

Jaymay

Would you mind if i call you sweetheart?
I found your voice upon my tape
And I was listenin' to you
Till I fell asleep, it was gettin' late
And I know it's you out on the sidewalk
I was hopin' I would meet
Somethin' always hits me
But it ain't concrete beneath my feet
And it's not cold
It's not the heat

Is this love?
Is this it?
If it is, I like it
And if it's love
Please stay, love
Don't go away, love
Don't go away

I think of you constantly
When I walk by "Nice Guy Eddie's"
And oh, to you non-Mets fans in the bar
Would you please be quiet, please
And I know there's only one direction we can go from here
And I may whisper where that is
I could tell it to your ear
And I'll be crystal, I'll be clear

Is this love?
Is this it?
If it is, I like it
And if it's love
Please stay, love
Don't go away, love
Don't go away

Hey
No one knows how their story unfolds
You find out when you're old and gray
But I, I got a good feelin' about you
I don't know what to do
Please say
Say
Before it goes away
Before it goes away
Before it goes

Would you mind if i call you sweetheart?
I found your voice upon my tape
And I was listenin' to you
Till I fell asleep, it was gettin' late
And I know it's you out on the sidewalk
I was hopin' I would meet
Somethin' always hits me
But it ain't concrete beneath my feet
And it's not cold
It's not the heat

Is this love?
Is this it?
If it is, I like it
And if it's love
Please stay, love
Don't go away, love
Don't go away
