

## #HoodLove

Jazmine Sullivan

I got a .45 in my Louis bag yeah  
And I, I'ma always ride for my man yeah  
If he got two strikes I'ma take the wrap  
Cause that's what a real bitch do

Cause he always did what he had to do for me  
I never have to worry 'bout a thing when I'm with 'em  
More than the money and the clothes  
And everything I know, is everything my heart beats for

And I'ma rock this bitch till the wheels fall off  
(Cause when my nigga need me you know that I got him)  
I'ma rock this bitch till the wheels fall off  
(And I ain't gotta worry cause I know I don't doubt him)  
My love's so deep, so deep for my nigga  
I never let him go and I swear I never quit him  
And I'ma rock this bitch till the wheels fall off  
(I'm rollin' with my baby, he know that I'm ridin')  
That hood love (hood love)  
Is that good love (good love)  
That hood love (hood love)  
Is that good love (good)

If he says go I ain't askin' questions  
I'm packing up my stuff and I'm on the next plane, no brainer b  
aby  
I consider him a blessing  
So I follow his lead and whatever he says

Cause when you love your man  
You'll do anything they need, God damn  
When you love your man  
It's hard but you make it look easy  
(Bang bang)  
We be in the 'lac out back, bang bang  
I be in the back countin' stacks, bang bang  
Every King need a Queen  
So I fight for my nigga  
Take a life for my nigga  
(Bang bang)  
And he ain't always right  
But he's just right for me
