

Lions, Tigers & Bears

Jazmine Sullivan

I'm not scared of lions and tigers and bears (Oh my!)
But I'm scared of (loving you)
I'm not scared to perform at a sold out affair (that's right)
But I'm scared of (loving you)
Am I the only one who thinks it's an impossible task?
Why it don't last? Is that too much to ask?
Why do we love Love,
When Love seems to hate us?

Sorry if I sound so filled with gloom.
You say you care, and I know you do...
But this is from my experience
And my conclusion only makes sense.
Just cause I love you, and you love me
It doesn't mean that we're meant to be.
I can climb mountains, swim cross the seas
But the most frightening thing is you and me.

Most circumstances, I know my fate
But in this love thang, I don't get the game.
Why does it feel like those who give in,
They only wind up losing a friend.
Just cause I love you and you love me,
It doesn't mean that we'll ever be.
Fly cross the ocean, sing for the queen
But the most frightening thing is you and me.

I'm sure though I'm not sure
But if we never try, We'll never know
It's better to have loved then not to loved at all.
Not trying is worse than to stumble and fall
And if we do, I'd rather it be with you
Cause at least there will be sweet memories.
Oh I'm not scared...

[Chorus]
