

## Luv Back

Jazmine Sullivan

Ohww I stay another minute, you and me but now we're finished.  
Gave my love but now I want it back.  
You was the cuz of so much sorrow, but you gon' be sad tomorrow.  
Gave my love but boy you want it back.

Baby I.. I.. am so over you and it ain't take long to find somebody new.  
He's everything you wasn't but he is everything I want it and I know he never treat me like you do.  
It's funny when I think about the past, when I was so naive to think that things would last.  
But now that I can see that you will never good for me, and it's over so you can give my luvv back.  
Help somebody!

Give me my Love back love back my love back love back.  
You think I'm staying but I wont,  
Just give me my love back love back my love back love back.  
You think I love you but I don't!  
Help somebody!
