

# Switch!

Jazmine Sullivan

Hey...

I met him at the bookstore  
He said he'd like to get to know me just a little more  
Ask me to dinner  
I said I'll bring my girlfriend  
He said that's cool cause he was gonna bring his best friend  
But something happened that I wasn't expectin  
His best friend all night had my attention

Knew it was wrong  
But I couldn't help it  
And I don't care  
I'm being selfish  
Know what I want and I want your best friend  
Ain't gonna front uh uh  
I want you best friend

Hey boy  
I think I like your best friend  
Would you mind  
If I dined  
With your best friend  
Aaww SWITCH!

And you can take my girlfriend  
I hardly know ya  
So there is no attachments  
You take my chair  
I'll sit right there  
Let's see how that feels  
And don't be mean and make a scene  
It ain't a big deal  
Cause something happened that I wasn't expectin  
His best friend all night had my attention

Knew it was wrong  
But I couldn't help it  
And I don't care  
I'm being selfish  
Know what I want and I want your best friend  
Ain't gonna front uh uh  
I want you best friend

Hey boy  
I think I like your best friend  
Would you mind  
If I dined  
With your best friend  
Aaww SWITCH!

You see baby  
It really ain't a big deal  
I mean you a nice guy and all  
But...  
If I met him when I met you  
He probably would a got the phone call

Don't make no sense  
To leave with the wrong guy  
If ya best friend  
Could be the love of my life

Knew it was wrong  
But I couldn't help it  
And I don't care  
I'm being selfish  
Know what I want and I want your best friend  
Ain't gonna front uh uh  
I want you best friend

Hey boy  
I think I like your best friend  
Would you mind  
If I dined  
With your best friend  
Aaww

Something Happened unexpected  
She didn't think that this would happen  
She liked this guy had a connection  
But it was with  
Her dates best friend  
Ha ha ha ha  
Who would have guessed this
