

# Alone In My Bed

JbDubs

I have to trust that you love me  
I have to tell myself over and over again  
I can't stop checking my phone  
When will he text me back  
When will he call me back

Or will he fall asleep in someone else's arms  
Dealing kisses to undeserving lips  
And at the same time I would whisper  
I love you forever, forever

But I'm alone in my bed

Yeah yeah yeah  
Yeah yeah yeah  
Yeah  
Yeah  
Don't let me down

It's like I don't remember  
How to blink  
The thoughts that barrel through  
My mind block out my instinct  
As I grow dumber with my fear  
If only you were here  
I wish that you were here

But I'm alone in my bed

Yeah yeah yeah  
Yeah yeah yeah  
Yeah  
Yeah  
Don't let me down

I must keep myself  
Busy and distracted  
Or I will dig myself  
A grave of thoughts  
And there's no peaceful rest  
With this hurt in my chest  
Gotta trust that you would die  
Before you'd leave me  
With every last chance of ever breathing  
You would tell me how much you love me  
You love me

But I'm alone in my bed

Yeah yeah yeah  
Yeah yeah yeah  
Yeah  
Yeah  
Don't let me down

Alone in my bed  
Alone in my bed

Alone in my bed  
It's all in my head
