All Day Long I Dream About Sex

JC Chasez

So you wanna be a rockstar Keep it going, don't stop Work it while you're on top, call the cops Rollercoaster riding, baby Up and down I love to watch you do it I just want to get close to you Find out what it takes to move you Feel the rhythm, hit the spot, getting hot All night long All day long I dream about sex And all night long I think about sex And all the time I think about sex with you, with you All day long I dream about sex And all night long I think about sex And all the time I think about sex with you, with you Keep in mind, I'm a love machine Get it twenty four seven, call me any time you need Some extra attention, did I forget to mention School's back in session, get ready for a lesson I just want to feel alive And do what it takes to satisfy you Hour after hour baby All night long with you All day long I dream about sex And all night long I think about sex And all the time I think about sex with you, with you All day long I dream about sex And all night long I think about sex And all the time I think about sex with you, with you All day long I dream about sex And all night long I think about sex And all the time I think about sex with you, with you All day long I dream about sex And all night long I think about sex And all the time I think about sex with you, with you All day long I dream about sex And all night long I think about sex And all the time I think about sex with you, with you All day long I dream about sex And all night long I think about sex And all the time I think about sex with you, with you All day long I dream about sex And all night long I think about sex

And all the time I think about sex with you, with you

All day long I dream about sex
And all night long I think about sex
And all the time I think about sex with you, with you
