

Bring It All To Me (blaque Ft Jc)

JC Chasez

There you are
Lookin as fine as can be
In your fancy car
I can tell your lookin at me
Whatcha wanna do
Are You just gonna sit there and stare
Baby talk to me
Tell me whats on your mind baby ohh

Oh baby bring it all to me
But I don't need no fancy cars or diamond rings
Oh baby bring it all to me
Give me your time, your love, your space, your energy

Baby, what's the deal
Would I be too forward if I
Told you how I feel
Thats just the way I do my thang
I'm so for real
Are you feeling my Tims, my baggy jeans
My thug appeal
Do you like it when a man can keep it real ooh ooh ooh

Oh baby bring it all to me
But I don't need no fancy cars or diamond rings
Oh baby bring it all to me
Give me your time, your love, your space, your energy

Ooooh
I'll put my pride to the side
Just to tell you how good you make me feel inside
There's not a single question that we can make this right
'Cause its you I need every day and night

Oh baby bring it all to me
But I don't need no fancy cars or diamond rings
Oh baby bring it all to me
Give me your time, your love, your space, your energy
