

Falling Down

Jean Michel Jarre

I'm falling,
I'm falling down
Spinning round and round
I'm falling,
I'm falling down
Spinning round and round
In the dark of your rise,
I'm fading away
It's too late to climb
I'm falling,
I'm falling down
Spinning round and round
In the dark of your rise
I'm fading away
It's too late to climb
I'm falling,
I'm falling down
Spinning round and round
I'm falling,
I'm falling down
Spinning round and round
