

## Daddy Sang Bass

Jean Shepard

I remember when I was a kid times were hard and things were bad  
There's a silver lining behind every cloud  
Just poor people that's all we were tryin' to make a livin' out  
of black land dirt

We'd get together in a family circle and sing out loud  
(Well daddy sang bass) mama sang tenor  
(Me and little brother would join right in there)  
Cause singin' seems to help a troubled soul  
One of these days and it won't be long I'll rejoin them in a so  
ng

I'm gonna join the family circle at the throne  
No the circle won't be broken by and by Lord by and by  
(Well daddy sang bass) mama sang tenor  
(Me and little brother would join right in there) in the sky Lo  
rd in the sky

Well I remember after work mama would call in all of us  
You could hear us singin' for a country mile  
Now little brother has done gone on I'll rejoin him in a song  
We'll be together again up yonder in a little while  
(Well daddy sang bass) mama sang tenor  
In the sky Lord in the sky
