

I Love You More And More Everyday

Jean Shepard

I love you more and more every day
They said our love was just emotion that time would slowly fade
away
But time just deepens my emotions I love you more and more every
day
The day you made those tender vows beside me
My joy was more than words could ever say
And darling still it grows and grows inside me I love you more
and more every day

The day you made
I love you more and more every day
