

## Just Call Me Lonesome

Jean Shepard

Why must I love the heartless one  
Who'll never know the harm he's done?  
Though love is blind I should have known  
Just call me lonesome from now on

I climb the stairs up to my room  
But no one meets me in the gloom  
The silence tells me he is gone  
Just call me lonesome from now on

These walls will hide me when I cry  
And hope that heaven lets me die  
What good is life when hope is gone?  
Just call me lonesome from now on

I pray my memories at last  
Will fade into the distant past  
If I must live and love alone  
Just call me lonesome from now on
