

Just For You

Jean Shepard

Just for you
That's why I say the things I say
And I do the things I do
No one else can make my arms feel
Like they're wrapped around the world
Yes I live my life just for you

Each day I wake up with a kiss just for you
And I count my many blessings
And I thank the Lord for you
And each minute of the day
I live a dream that has come true
Yes I live my life just for you
Just for you just for you
Yes I live my life just for you
