## **Just For You**

**Jean Shepard** 

Just for you That's why I say the things I say And I do the things I do No one else can make my arms feel Like they're wrapped around the world Yes I live my life just for you

Each day I wake up with a kiss just for you And I count my many blessings And I thank the Lord for you And each minute of the day I live a dream that has come true Yes I live my life just for you Just for you just for you Yes I live my life just for you
