

## My Wedding Ring

Jean Shepard

You ask me how long I've been drinkin'  
And livin' this honky tonk life  
Well listen girls I'll tell you my story  
I'm a mother that was once a happy wife  
I'm a girl just like so many others  
Neither good nor bad, maybe a girl like you  
And just think but for the grace of God in heaven  
It could have in your heart stop of broke in two  
I'm a girl that's left without a future  
And the baby boy that has his daddy's name  
And the baby looks just like his daddy  
But another woman wears my wedding ring  
  
I'm a girl that's left without a future
