

Walk On Out Of My Mind

Jean Shepard

I hear the echo of your footsteps they're right in step with marching time

Since you've walked out of my life out of my world please walk on out of my mind

I know you're hiding there in the darkness it's got me running scared and blind

Since you've walked out of my life out of my world please walk on out of my mind

You've got footprints all over my memories I must erase them if I can

You keep a stumbling through my hopes and dreams keepin' around my future plans

You've got me walkin' round in circles lookin' for something I'll never find

Since you've walked out of my life out of my world please walk on out of my mind
