

Evermore

Jeanette

Let the heights of heav'n adore him
Angel hosts his praises sing
E'vry voice in concert ring
Evermore and evermore

Let no tongue on earth be silent
To extol our god and king
E'vry voice on concert ring
Evermore and evermore

Aha evermore
E'vry voice on concert ring
Aha evermore
Evermore and evermore

He's the source, the ending he
Of the things that are, that have been
And the future years shall see
Evermore and evermore

The virgin bore the worlds redeemer
Bore the saviour of our race
He revealed his scared face
Evermore and evermore

Aha evermore
He revealed his scared face
Aha evermore
Evermore and evermore

Let the heights of heav'n adore him
Angel hosts his praises sing
E'vry voice in concert ring
Evermore and evermore
