

My Guy

Jeanette

You've come here for some questions
about the guy you're seein'
I know some good suggestions
I'll tell you what I've heard of
He's goin' out without you there's no such thing as big love

'Cause he is my guy
Don't try
Anything to break us to up babe
My guy
That's why
He ain't got no time for you, love
No lie
You sigh
Did you think you'd beat me out, girl
My guy
Don't try
Tht's how it does

I do what you've denied him
He really seems to like that
It is just too exciting
You've never spoiled your love
Supplied no satisfaction
He had to stay with me
Girl

I didn't have to fight
You didn't get it right
I'll give myself tonight
