

## To fall in love

Jeanette

I am denounced  
To be easy going  
What can I do  
Got my juices flowin'

I gotta take a little time  
To rearrange my line  
Can't be givin' it away  
Just livin' for today

To fall in love  
It is ev'rything you can get  
Ain't got enough  
To be stayin' here with me  
This short term lovin' ain't bad  
'Cause it changes sometimes  
So divine

You are too proud  
Better take your hands off  
That's not allowed  
For my game - it ain't rough

I gotta take a little time  
To rearrange my line  
Can't be givin' it away  
Just livin' for today

To fall in love  
It is ev'rything you can get  
Ain't got enough  
To be stayin' here with me  
This short term lovin' ain't bad  
'Cause it changes sometimes  
So divine

To fall in love  
It is ev'rything you can get  
Ain't got enough  
To be stayin' here with me  
This short term lovin' ain't bad  
'Cause it changes sometimes  
So divine

To fall in love  
It is ev'rything you can get  
Ain't got enough  
To be stayin' here with me  
This short term lovin' ain't bad  
'Cause it changes sometimes  
So divine

To fall in love  
It is ev'rything you can get  
Ain't got enough  
To be stayin' here with me  
This short term lovin' ain't bad

'Cause it changes sometimes  
So divine
