

Everything I Had Going For Me (is Gone)

Jeannie Seely

Gonna sit here and feel sorry for myself the one I want is with
somebody else
And it's nobody's fault but my own everything I had going for m
e is gone
I didn't know what the good thing I had so I'd let it go and oh
the future is bad
So I'll punish me by sittin' here alone everything I had going
for me is gone
[dobro - steel]
Those sweet morning kisses I recall wonder if they ever cross h
is mind at all
Why can everything so right go so wrong everything I had going
for me is gone
I didn't know what the good thing...
Everything I had going for me is gone
