

## Everything I Had Going For Me (is Gone)

Jeannie Seely

Gonna sit here and feel sorry for myself the one I want is with  
somebody else  
And it's nobody's fault but my own everything I had going for m  
e is gone  
I didn't know what the good thing I had so I'd let it go and oh  
the future is bad  
So I'll punish me by sittin' here alone everything I had going  
for me is gone  
[ dobro - steel ]  
Those sweet morning kisses I recall wonder if they ever cross h  
is mind at all  
Why can everything so right go so wrong everything I had going  
for me is gone  
I didn't know what the good thing...  
Everything I had going for me is gone
